

Course chapters above 10 mb is not uploading so kindly increase the limit to 100mb

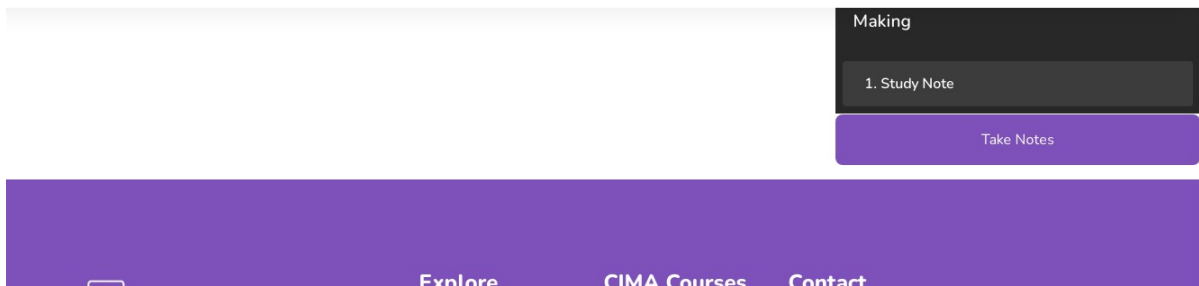

When i try to upload course chapter below 10 mb, sometimes i get this error:failed to upload PDF file

I have added quiz for Certificate level course - BA2 - Fundamentals of Management Accounting but it not reflected in the front end

When viewing course from the student dashboard, there is a option to download the course and there is no full screen option

When i switch between the chapters in the right side panel, ppt is not changing the left side

The screenshot displays a web browser window with the URL '65.0.129.17:3000/myEnrolledCourses/8224ec42-2c72-4cc4-911e-9d6c2dbada4f'. The page features the 'Akontz' logo and navigation links: Home, About Us, CIMA Courses, Blogs, Contact Us, and Dashboard. A user profile 'First Student' is visible in the top right. The main content area shows a slide titled 'Decision Making' with text about risk and uncertainty. The right sidebar lists chapters 4 through 8. The bottom status bar indicates the current slide is 'Chapter 1- BA2 -pptx'.

When i upload course it says video uploading, kindly change to “Uploading Course”
